

NEW HORIZON VIDYA MANDIR

Annual Day Circular

Hari Om!

Dear Parents,

The annual day program for this year will be hosted on **2 days, i.e. 10th February 2018 and 11th February 2018; the light rehearsal for both shows will be held on 9th February 2018 at the New Horizon Gurukul Ground.**

The students are divided into 2 batches accordingly (**Day1 and Day2**). Each batch will include students from Nursery, LKG and UKG. This is to ensure that each and every child gets an opportunity to participate in the annual day program. Also, siblings will have their annual day on the same date (irrespective of grades). Please refer to the diary note that has been sent to you by your child's class teacher for the **Annual day date and scene** assigned to your child. ******Parents are to ensure that your child reports on the CORRECT Annual date assigned to them.***

Please ensure that your child is present on the day assigned, on light rehearsal and also in the preceding days as our practice sessions are being conducted. All the practice sessions begin at 9.00am hence, parents who drop their children to school are requested to do so before 9.00am.

- **The light rehearsal** will be held on **9th February 2018** for both batches and it will NOT be a regular working day. Walkers should be dropped at the Gurukul campus by **5.00 pm**. The children can be collected at 8.00pm (**only**). The children will not be handed over till the rehearsal is complete as they will be stepping on to the stage for the first time. We request your whole hearted cooperation in this regard as it is important for the children to get familiar with the stage and light settings for the final program. **Parents to ensure that the children wear their sweat shirts.**
- **Transportation** – School Transportation will be available and parents can check the NHVM website on 6th Feb for transport details for both **pick up and drop timings on the light rehearsal day (9th Feb)** and **pick up timings only** on annual days (i.e. 10th and 11th Feb). *****Children who regularly avail school transportation will do so even on the light rehearsal day (mandatory).** Irrespective of the distance, hence, please do not send any changes in the diary.

- Buses will log out from the NHG campus at 8pm and in case there are any delays, parents will receive a SMS from the transport team. Parents of walkers are also requested to cooperate with us in case of any such delay in the end time of the light rehearsal. We will endeavor to finish the rehearsal on time but please accommodate any delays that may occur.
- Parents of walkers are requested to carry their ID cards as children will be with their scene teachers and not necessarily their class teachers.
- Day care will function on 9th February at NHVM ONLY for NHG.
- For those children who go to different day care centers, parents to follow the Saturday schedule (home to NHG and NHG to home on) on 9th February.
- **Drop and Pick upon Annual Day**– Walkers to be dropped at NHG by 4pm. All the children to be **collected by parents *only*** from the Gurukul campus on the day of the child's show after the completion of the entire program.
- Please send dry snacks with your children along with drinking water. Also, please ensure that your child carries a change of clothes with him/her on all three days (**applicable to all Nursery, LKG and UKG**).
- **Children to come dressed in the costumes that will be sent before the Annual Day.** The child also needs to wear any specified footwear/accessories on the annual day. All girl students must wear their black bloomers with their costumes.
(on light rehearsal day, please send the child in regular school uniform)
- The entire program will be recorded by our photographer and videographer. Hence, we request that parents and older siblings remain seated and not disrupt the show by coming in front of the stage to take photographs or recordings. Also, please refrain from crossing in front of the VIP area.
